in  
Miami-Dade County Public Schools**

2016-2017

Updated June 14, 2017

**Office of Public Relations**

**Ms. Daisy Gonzalez-Diego  
Chief Communications Officer**

**Foreword**

Miami-Dade County Public Schools has traditionally enjoyed one of the most extensive networks of community support to be found in any educational district in the nation.

This document, which reflects that support, contains a comprehensive list of the District's support groups, committees, councils, coalitions, task forces, and other organizations that advise the School Board and District staff.

Membership in these groups consists either entirely or partly of lay citizens. Advisory groups, councils, and task forces comprised solely of Miami-Dade County Public Schools' staff members and employee union representatives are not listed.

**Special Note**

*All prospective and current individuals who are not employees of Miami-Dade County Public Schools and who voluntarily serve on any advisory committee for the School Board of Miami-Dade County, Florida, are public officers who must comply with the applicable provisions of Florida's Code of Ethics, Chapter 112 of the Florida Statutes. As a committee member, they agree to conduct themselves in accordance with the highest ethical principles in the course of participating in School Board related activities. They will be required to sign a Certification of Compliance prior to serving on any advisory committee.*

Each listing includes the name of the group, its Miami-Dade County Public Schools' bureau or office affiliate, its staff liaison or contact person, a brief statement of its mission, a summary of the composition of its membership, and a list of current members.

Because of the nature of these groups, information regarding each listing is subject to change. Such changes should be reported to Mr. Rolando A. Martín, Executive Director, Office of Communications, by e-mail to [RAMartin@dadeschools.net](mailto:RAMartin@dadeschools.net) or by fax to 305-995-1151. For additional information or questions, please call Mr. Martín at 305-995-1245.
